*It's that time of the year when we prepare for the Club's Annual General Meeting ... it is an excellent opportunity to reflect on the past year's achievements, discuss future plans, and address any questions or concerns you might have.*

Your presence is valued , and we encourage interested members to attend and contribute their insights.

The agenda will include a review of our financial performance, strategic initiatives, and elections for key positions ... and naturally there will be a light supper , and a great opportunity to interact with people who have a passion for their chosen sport.
